

# Harald Hammarström

## *Curriculum Vitae*

### Employment

- 2022- **Professor**, *Uppsala University*, Uppsala, Linguistics.
- 2021-2021 **Senior Lecturer**, *Uppsala University*, Uppsala, Linguistics.
- 2017-2020 **Associate Senior Lecturer**, *Uppsala University*, Uppsala, Linguistics.
- 2016-2016 **Senior Researcher**, *Max Planck Institute for the Science of Human History*, Jena, Linguistics.
- 2013-2015 **Researcher**, *Max Planck Institute for Psycholinguistics*, Nijmegen, Linguistics.
- 2010-2013 **PostDoc**.
  - 50% at Radboud Universiteit Nijmegen, Nijmegen, Linguistics
  - 50% at the Max Planck Institute for Evolutionary Anthropology, Leipzig, Linguistics
- 2005-2009 **PhD Student**, *Gothenburg University*, Gothenburg, Computational Linguistics.
- 2003-2005 **Project Assistant**, *Chalmers University*, Gothenburg, Computational Linguistics.
- 2002 **Project Assistant**, *Uppsala University*, Uppsala, Linguistics.
- 1996-1998 **Programmer**, *ABB Industrial Systems*, Västerås, Summer Job.
- 1995 **Programmer**, *Britsoft*, London, Summer Job.

### Formal Education

#### Degrees

- 2019 **Docent in Linguistics**, *Uppsala University*, Uppsala.
- 2009 **PhD in Computational Linguistics**, *Gothenburg University*, Gothenburg.
- 2007 **Licentiate in Computational Linguistics**, *Gothenburg University*, Gothenburg.
- 2003 **Master of Computer Science**, *Uppsala University*, Uppsala.

#### Curriculum

- 2001-2002 **Computer Science**, *University of Uppsala*, Sweden.
- 2001-2001 **Master's Thesis**, *ILLC, Amsterdam*, the Netherlands.

Vikingagatan 6 – 753 34 Uppsala

☎ +46(0)70 7184339 • ✉ [harald.hammarstrom@lingfil.uu.se](mailto:harald.hammarstrom@lingfil.uu.se)

🌐 <http://stp.lingfil.uu.se/~harald/> •

- 2000-2001 **Computer Science**, *University of Uppsala, Sweden.*  
 1999-2000 **Computer Science**, *Facultad de Informática, Madrid, Spain.*  
 1997-1999 **Computer Science**, *University of Uppsala, Sweden.*  
 1996-1997 **Computer Science**, *University of Linköping, Sweden.*  
 1993-1996 **High School (Natural Sciences focus)**, *Västerås, Sweden.*  
 1984-1993 **Elementary school**, *Västerås, Sweden.*

In parallel with the Computer Science studies 1997-2002, various less-than one semester courses were taken in Philosophy, Economics, Law, Nutrition, Linguistics, and various languages (see below).

## Languages

Language	Credits or equiv.
Akkadian	15
Ancient Greek	50
Avestan	5
Azeri	5
Berber (Rif)	10 <sup>a</sup>
Biblical Aramaic	15
Biblical Hebrew	40
Bulgarian	20
Catalan	5
Classical Arabic	40
Czech	10
Dutch	Fluent <sup>b</sup>
English	Fluent
Estonian	5
Fak-Fak Malay	Fluent <sup>c</sup>
Finnish	15
French	20 <sup>d</sup>
Ge'ez	5
German	40 <sup>e</sup>
Hindi	40
Japanese	10 <sup>f</sup>
Hungarian	5
Icelandic	5

Language	Credits or equiv.
Kazakh	5
Kurdish (Sorani)	10
Latin	20
Old Church Slavonic	10 <sup>a</sup>
Pali	5
Pashto	20
Persian	15
Polish	15
Russian	15
Sanskrit	40
Scottish Gaelic	10
Somali	5 <sup>b</sup>
Spanish	Fluent <sup>c</sup>
Sumerian	5
Swahili	20
Swedish	Native
Tamil	40
Turkish	30
Urdu	10
Uyghur	5
Uzbek	5
Wolof	10 <sup>d</sup>

<sup>a</sup>1 year course at Colegio Mayor Universitario "Nuestra Señora de Africa", Madrid

<sup>b</sup>3 years in Holland

<sup>c</sup>Vernacular used for fieldwork

<sup>d</sup>3 years in high school

<sup>e</sup>5 years in high school

<sup>f</sup>At Gothenburg University

<sup>a</sup>At Gothenburg University

<sup>b</sup>At Gothenburg University

<sup>c</sup>1 year stay in Madrid

<sup>d</sup>1 year course at Colegio Mayor Universitario "Nuestra Señora de Africa", Madrid

20 old Swedish university credits = 30 ECTS credits = 1 semester full-time studies. 15 credits usually corresponds to the whole grammar of a language as well as a body of text material. > 15 means more text reading, study of dialects, and religion, history and politics etc of the applicable language area.

## Linguistic Fieldwork

Language	ISO 639-3	Family	Location	Duration
Mor	moq	Isolate	Papua, Indonesia	2+2+1 months
Dizin	mdx	Dizoid	Ethiopia	2 weeks
Tagoi	tag	Rashad	North Sudan	2 weeks
Goras	erw	Austronesian	Papua, Indonesia	1+1 week
Otoweri	bzp	South Bird's Head	Papua, Indonesia	1+1 week
Duvle-Wano Pidgin	-	Duvle-based (Lakes Plain)	Papua, Indonesia	1 week
Yine	pib	Arawakan	Peru	1 week

Plus survey work on another 10 languages of Papua, Indonesia.

## Conference/workshop Organization

- Chair: Workshop on language documentation: multilingual settings and technological advances (2019)
- Chair: Shared Task on Grammar Data Mining (GDM): Extracting Linguistic Features From Grammatical Descriptions (2019)
- Assist: SLE Workshop on What is in a Morpheme? (2016)
- Chair: Workshop on Capturing Phylogenetic Algorithms for Linguistics (2015)
- Chair: Panel on Hunter-Gatherer Languages in Contact, at CHAGS XI (2015)
- Chair: Nijmegen Grammar Group (seminar series 2014-2015)
- Chair: Workshop on Quantitative Approaches to Areal Linguistics (2012)
- Chair: Workshop on the Classification of Papuan Languages (2012)
- Assist: Swedish conferences in Language Technology (2005, 2005, 2006)
- Assist: Nordic Symposium of African Languages (2007)
- Assist: International Conference on Bantu Languages (2007)
- Assist: 14th Himalayan Linguistic Symposium (2008)
- Assist: GoTAL 6th International Conference on Natural Language Processing (2008)
- Assist: 23rd Scandinavian Conference of Linguistics (2008)
- Assist: Workshop on Language Documentation and Language Description (2008)
- Chair: Workshop on Unsupervised Methods in NLP (2008)
- Chair: Gothenburg Typological Seminars (seminar series 2007-2009)

## Teaching

Course	Year(s)	Duration/Level	Institution
Basic Statistics	2020	1/2 semester half time, graduate	Uppsala University
Data Mining for Typological Studies	2019	1 week full-time, late undergraduate/graduate	Pontificia Universidad Católica de Perú, Lima
Phonetics I	VT2018, HT2018, VT2020, HT2020	1/2 semester half time, undergraduate	Uppsala University

Vikingagatan 6 – 753 34 Uppsala

☎ +46(0)70 7184339 • ✉ [harald.hammarstrom@lingfil.uu.se](mailto:harald.hammarstrom@lingfil.uu.se)

🌐 <http://stp.lingfil.uu.se/~harald/> •

3/11

Languages of the World	2017, 2018, 2019, 2020	1/2 semester half time, undergraduate	Uppsala University
Current Trends in Linguistics	2017, 2018	1/2 semester half time, undergraduate	Uppsala University
Linguistics II	2017	1/2 semester half time, undergraduate	Uppsala University
Historical Linguistics	2017, 2018	1/2 semester half time, undergraduate/advanced	Uppsala University
Language Technology: Research and Dev.	2017	1 semester half time, undergraduate	Uppsala University
Semantics & Pragmatics	2017	1/2 semester half time, undergraduate	Uppsala University
Quantitative Methods in Linguistic Typology	2016	2 weeks full-time, graduate	ESSLT/TypoLing2016 Summer School, Porquerolles, France
Quantitative Techniques for Linguistic Diversity	2016	1 week full-time, late undergraduate/graduate	Pontificia Universidad Católica de Perú, Lima
Eloquent Apes	2015	1 semester half time, graduate	Radboud University, Nijmegen
Quantitative Techniques for Linguistic Diversity	2015	1 week full-time, late undergraduate/graduate	Centro de Investigación y Estudios Superiores en Antropología Social, Mexico
Python Programming	2014, 2015	1 semester half time, graduate	International Max Planck Research Schools, Nijmegen
Quantitative Techniques in Field Methods	2014	1 week full-time, late undergraduate/graduate	University of Campinas, Brazil
Field Methods	2013	2 week full-time, graduate	University of Khartoum, Sudan
Field Methods	2012	1 week full-time, undergraduate	UNIPA, Manokwari, Papua, Indonesia
Languages of the World	2008	1/2 semester full time, undergraduate	Gothenburg University
Formal Languages and Automata Theory	2007, 2008	1/2 semester full time, undergraduate	Chalmers University
Machine Learning	2007, 2008	1/2 semester full time, undergraduate	Chalmers University
Language Typology	2007	1/2 semester full time, graduate	Gothenburg University
Databases	2004, 2005, 2006	1/2 semester full time, undergraduate	Chalmers University
Artificial Intelligence	2004, 2005, 2006, 2007, 2008	1/2 semester full time, undergraduate	Chalmers University

---

## Supervision

### PostDoc supervision

- 2015-2016 **Robert Borges**, *Grambank project*, MPI Nijmegen.  
2015-2016 **Hilário de Sousa**, *Grambank project*, MPI Nijmegen.

### PhD thesis supervision

- 2020- **Erik Elgh**, *Uppsala University*, main Supervisor.  
2019- **Philipp Rönchen**, *Uppsala University*, main Supervisor.  
2018- **Maja Robbers**, *Uppsala University*, main Supervisor.  
2017-2021 **Eline Visser**, *Lund University*, co-Supervisor.  
2012-2016 **Francesca Moro**, *Radboud University Nijmegen*, co-Supervisor.  
2012-2016 **Grégoire Detrez**, *Chalmers University Nijmegen*, co-Supervisor.

### MA thesis supervision

- 2018 **Sven Feuchtmüller**, *Computational Linguistics*, Uppsala University.  
2018 **Hao Tang**, *Computational Linguistics*, Uppsala University.  
2018 **Kristin Sverredal**, *Linguistics*, Uppsala University.  
2007 **Muhammad Humayoun**, *Computer Science*, Chalmers University.

### Trainees and student assistants

- 2013-2015 **Hedvig Skirgård**, *Grambank project*, MPI Nijmegen.  
2013-2015 **Suzanne van der Meer**, *Grambank project*, MPI Nijmegen.  
2014-2014 **Luise Dorenbusch**, *Grambank project*, MPI Jena.  
2014-2018 **Roberto Herrera**, *Grambank project*, MPI Jena.  
2015-2016 **Jakob Lesage**, *Grambank project*, MPI Nijmegen.  
2015-2016 **Jesse Peacock**, *Grambank project*, MPI Nijmegen.  
2015-2016 **Tessa Yuditha**, *Grambank project*, MPI Nijmegen.  
2016-2016 **Hugo de Vos**, *Grambank project*, MPI Nijmegen.  
2016-2016 **Hannah Lutzenberger**, *Grambank project*, MPI Nijmegen.  
2016-2017 **Richard Kowalik**, *Grambank project*, Uppsala University.  
2016-2017 **Giada Falcone**, *Grambank project*, Uppsala University.  
2016-2018 **Kristin Sverredal**, *Grambank project*, Uppsala University.  
2018-2018 **Katerina Koti**, *Grambank project*, Uppsala University.  
2018-2018 **Nora Lindvall**, *Grambank project*, Uppsala University.  
2018-2018 **Teodor Lindström**, *DReaM project*, Uppsala University.  
2019-2019 **Erik Elgh**, *DReaM project*, Uppsala University.

## Formal Pedagogical Training

Year(s)	Duration	Detail
2018	1 week	Course: <i>Supervision of students</i> , Uppsala University
2017-2019	1 week	Course: <i>In-depth Supervision of PhD Students</i> , Uppsala University
2017	1 week	Course: <i>Active Students in Group Projects</i> , Uppsala University
2017	3 weeks	Course: <i>Supervision of PhD Students</i> , Uppsala University
2017	1/2 day	Course: <i>Evaluation Seminar</i> , Uppsala University
2017	1 day	Course: <i>The Student Portal for Teachers</i> , Uppsala University
2016	3 days	Workshop: <i>Max Planck Leadnet meeting</i> , Berlin
2014	1 day	Workshop: <i>How to be a good supervisor</i> , Nijmegen
2009	5 weeks	Course: <i>Didactics for University Teaching</i> (Högskolepedagogik), Gothenburg University

Vikingagatan 6 – 753 34 Uppsala

☎ +46(0)70 7184339 • ✉ [harald.hammarstrom@lingfil.uu.se](mailto:harald.hammarstrom@lingfil.uu.se)

## Fellowships and Grants

Year(s)	Type	Role	Size	Detail
2021-2022	Grant	PI	27 000 EUR	Centre for Integrated Research on Culture and Society (CIRCUS) Support for research networks, <i>FAL: Fieldwork in Anthropology and Linguistics</i>
2018-2021	Grant	PI	500 000 EUR	Marcus and Amalia Wallenbergs Minnesfond MAW Grant 2017.0105, <i>From Dust to Dawn: Multilingual Grammar Extraction from Grammars</i>
2018-2020	Grant	PI	300 000 EUR	JPICH-ERC Grant, <i>The Dictionary/Grammar Reading Machine: Computational Tools for Accessing the World's Linguistic Heritage (DReaM)</i>
2018-2021	Grant	co-PI	500 000 EUR	Marcus and Amalia Wallenbergs Minnesfond MAW Grant 2017.0050, <i>CHRONOS - Chronology of Roots and Nodes of Family Trees: Fine-tuning the Instruments of Linguistic Dating</i>
2018-2019	Grant	co-PI	50 000 EUR	Faculty Support Grant (Faculty of Languages, Uppsala University), <i>UP-PLADOC: Uppsala Language Documentation Group</i>
2015	Theme Group	co-PI	~ 100 000 EUR	NIAS-Lorentz Theme Group <i>Capturing Phylogenetic Algorithms for Linguistics</i> , Netherlands Institute for Advanced Study in the Humanities and Social Sciences (NIAS)
2011-2015	Grant	co-Appl.	500 000 EUR	Max Planck Digital Library Grant <i>Words of the World</i>
2007	Grant	PI	6 000 EUR	Centre for Language Technology (Gothenburg University) Grant, <i>Language Technology for Languages of the Central African Republic</i>
2000	Scholarship		12 000 EUR	For general diligence in studies
1999	Scholarship		1 800 EUR	For general diligence in studies
1998	Scholarship		3 000 EUR	For general diligence in studies
1996	Award		2 900 EUR	For skill in mathematics (esp. problem solving), 1996

## Institutional Responsibilities and Board Memberships

- 2019- Member of the department council of the Department of Linguistics & Philology
- 2018- Member of the pedagogical development committee of the Department of Linguistics & Philology

Vikingagatan 6 – 753 34 Uppsala

☎ +46(0)70 7184339 • ✉ [harald.hammarstrom@lingfil.uu.se](mailto:harald.hammarstrom@lingfil.uu.se)

🌐 <http://stp.lingfil.uu.se/~harald/> •

- 2017-2020 Study coordinator of general linguistics (Uppsala University, 20% FTE) involving curriculum planning and organization, advising students, preparing curriculum-related information and teacher allocation
- 2017-2020 Member of the board of the Speech Pathology programme (Department of Neuroscience, Uppsala University)
- 2017-2019 Member of the board of Språkvetarprogrammet (Faculty of Humanities, Uppsala University)
- 2015-2016 Staff representative of at the Max Planck Institute for Psycholinguistics, Nijmegen
- 2005-2006 Member of the Graduate Students' Council at Graduate School of Language Technology (GSLT), Gothenburg University
- 2002-2003 Member of the Students' Council at the Dept. of Romance Languages, Uppsala University
- 2001-2002 Member of the Board of Recruitment at the Dept. of IT, Uppsala University
- 2001-2003 Deputy member of the Board of Recruitment at the Faculty of Languages, Uppsala University
- 2001-2002 Member of the Library Committee at the Dept. of Afro-Asiatic Languages, Uppsala University
- 2001-2002 Member of the Students' Council at the Dept. of Afro-Asiatic Languages, Uppsala University

## Commissions of Trust

### Editorial Work

- 2016- **Associate Editor**, *Journal of Language Evolution*.
- 2015- **Editorial Board**, *Language and Linguistics in Melanesia*.
- 2014- **Editorial Board**, *Transactions on Asian Language Information Processing*.

### PhD Thesis Examinations

- 2020 **Thesis grading committee member for Michel van Maarle**, *Radboud Universiteit Nijmegen*.
- 2020 **Mock defense opponent for Niklas Erben Johansson**, *Lund University*.
- 2015 **Thesis grading committee member for Jeremy Hammond**, *Max Planck Institute for Psycholinguistics, Nijmegen*.
- 2014 **Thesis grading committee member for Vasudevan Nedumpozhi**, *Indian Institute of Technology, Bombay*.
- 2012 **Thesis grading committee member for Folkert de Vriend**, *Radboud University Nijmegen*.

### Grant Reviewing

- 2020 **Grant Proposal Evaluator for NSF**.
- 2020 **Reviewer for ERC Advanced Grants**.
- 2020 **Reviewer for MaW (Marcus och Amalia Wallenbergs Minnesfond) Grants**.
- 2020 **Reviewer for Council for Social Sciences and the Humanities of the Netherlands Organisation for Scientific Research (NWO) Grants**.
- 2018-2019 **Reviewer for ERC Starting Grants**.

- 2014-2019 **Grant Proposal Evaluator for ELDP Grants on Endangered Languages.**
- 2014 **Grant Proposal Evaluator for NSF Track on Endangered Languages.**
- 2014 **Grant Proposal Evaluator for Aarhus Institute of Advanced Studies (AIAS).**
- Other**
- 2021 **Programme Committee Member for Descriptive Grammars and Typology II: The challenges of writing grammars of underdescribed and endangered languages (Paris).**
- 2020- **Panel Member for the Endangered Language Documentation Programme (ELDP).**
- 2020 **Programme Committee Member for ComputEL-4 (4rd Workshop on Computational Methods for Endangered Languages).**
- 2019 **Programme Committee Member for ComputEL-3 (3rd Workshop on Computational Methods for Endangered Languages).**
- 2018 **Programme Committee Member for Symposium Logic and Algorithms in Computational Linguistics 2018 (LACompLing2018).**
- 2017 **Programme Committee Member for Workshop on Phylogenetic Methods in Historical Linguistics.**
- 2016-2020 **Programme Committee Member for International Conference on Natural Language Processing (ICON).**
- 2016 **Programme Committee Member for the Syntax of the World's Languages VII conference.**
- 2016 **Programme Committee Member for the the 6th Quantitative Investigations in Theoretical Linguistics (QITL-6).**
- 2015 **Programme Committee Member for the Association of Linguistic Typology (ALT) 11 conference.**
- 2015 **Panel member for the ALT Panini Award.**
- 2015 **Programme Committee Member for the SKY Symposium on New Developments in the Quantitative Study of Language.**
- 2014 **Programme Committee Member for the Workshop Linked Data in Linguistics.**
- 2013 **Programme Committee Member for the Workshop Linked Data in Linguistics.**
- 2012 **Programme Committee Member for the Workshop Visualization of Linguistic Patterns and Uncovering Language History from Multilingual Resources.**
- 2007- **Reviewing for Nature, Language, Linguistics Typology, Springer, Cambridge University Press, Brill, Pacific Linguistics, International Journal of American Linguistics, Computational Linguistics, Language Dynamics & Change, Oceanic Linguistics, ACL, EACL, Linguistics: An Interdisciplinary Journal of the Language Sciences, Faits de Langues, EvoLang, Journal de la Société des américanistes (JSA) and many others.**

9/11

## Popular Press Coverage

- 2020-02-10: Science Magazine had a long article about language catalogues and open access, featuring (partly misquoted) interview material with me about Glottolog <https://www.sciencemag.org/news/2020/02/world-s-largest-linguistics-database-getting-too-expensive-some-researchers>
- 2019-05-29 – 2019-06-02: Three articles in Dutch media covered the recognition of three Frisian varieties as languages in Glottolog. In Trouw (in Dutch) <https://www.trouw.nl/cultuur/spreekt-u-al-aasters-schiermonnikoogs-of-hielpes-dankzij-dyami-millarson-25-zijn-het-nu-zelfstandige-talen-af99e210/>, Leeuwarder Courant (in Dutch) <https://www.lc.nl/friesland/Eilandtalen-en-Hielpes-opgenomen-in-internationale-talendatabank-24511408.html> and Omrop Fryslân (in West Frisian) <https://www.omropfryslan.nl/nijs/889242-hylpersk-skiermuntseagersk-en-aastersk-selsstannige-talen-foar-max-planck-institut>
- 2019-05-03: The website for Swedish national minorities [minoritet.se](http://minoritet.se) featured a news item about the UPPLADOC network initiated by me <http://minoritet.se/uppsalaforskare-vill-dokumentera-hotade-sprak>.
- 2017-06-26: The Geographical Magazine had an article on the Glottolog language inventory and the mapping of the world's languages <http://geographical.co.uk/places/mapping/item/2255-speaking-out>.
- 2016-10-18: Interview on the national Swedish popular science radio show *Vetenskapsradion* <http://sverigesradio.se/sida/artikel.aspx?programid=406&artikel=6518646> (“En näsa är en näsa oavsett språk”) about a joint paper on the amount of sound symbolism in the languages of the world. The same article was featured in numerous popular press reports including Washington Post <https://www.washingtonpost.com/news/speaking-of-science/wp/2016/09/12/a-nose-by-any-other-name-biology-may-affect-the-way-we-invent-words/>, ABC <http://www.abc.net.au/news/2016-09-13/linguists-discover-humans-have-'universal-language'/7841134>, Scientific American <http://www.scientificamerican.com/article/r-is-for-red-common-words-share-similar-sounds-in-many-languages/>, Nature News & Views <https://www.nature.com/nature/articles?type=news-and-views> (accessed 2016-10-18), see <https://pnas.altmetric.com/details/11966153/news> for a fuller list.
- 2015-01-19: Börsenblatt, an information service for German publishers and booksellers, had an article about open access to bibliographical data in Glottolog [“Bibliografische Daten für Open Access Datenbank Glottolog”] <http://www.boersenblatt.net/862986/>
- 2015-01-16: The Dutch online popular science magazine *Kennislink* <http://www.kennislink.nl/publicaties/verslaafd-aan-taalleren> has an article about the wonders of learning languages (“Verslaafd aan Taalleren”) featuring me and three colleagues.
- 2015-01: The *Max Planck Research: The Science Magazine of the Max Planck Society* has a short article about the collaboration between Glottolog and DeGruyter publishing (page 9), with links to the [glottolog.org](http://glottolog.org) database curated by me.
- 2013-04-04: Die Zeit Online had an article about the multitude of languages based on the data in Glottolog/LangDoc [“Barbarah Hahn, Christine Zimmermann and Christoph Drösser “Sprachen-Vielfalt”] <http://www.zeit.de/2013/15/infografik-sprachen>

🌐 <http://stp.lingfil.uu.se/~harald/> •

10/11

- 2012-01-11: Frankfurter Allgemeine Zeitung had an article about the Automated Dating of language families based on the Current Anthropology paper. ["Wir wollen also hinabsteigen und dort ihre Sprache verwirren" by Wolfgang Krischke].
- 2010-05-06: The Times science magazine featured an article about numeral systems and number bases based on my work (with due mention of my name) <http://www.timesonline.co.uk/tol/news/science/eureka/article7112969.ece>.
- 2009-01-11: Expressen Söndagsbilaga (the Sunday 'lifestyle' appendix to a tabloid-like national daily) had a 3-page interview with me since I have more university credits than anyone else in Sweden (according to official statistics gathered by them).
